# UGA Exchange at Leibniz University of Hannover

Take classes in Germany and get UGA credit!

Work and live alongside other exchange students while experiencing Germany together!

Learn the language in an immersive environment, all while taking classes in English!

## Working Together

This exchange is for undergraduate students in Linguistics (majors or minors). Three Hannover students study at UGA each fall semester, and three UGA students are selected to study at the University of Hannover each spring semester.

### **A little help from my friends?**

The three students from Hannover are prepared to help UGA students find affordable housing as soon as they have been accepted to the program!

*When studying abroad, the three Hannover exchange students (who are at UGA) will be official "study-buddies" for the UGA students – so you can help one another get acclimated!*

To cover part of the cost for the flight to Hannover, UGA students can apply for scholarships through the OIE!

## Work and Study

There are jobs available for English-speaking students at the University of Hannover, so that UGA students have the opportunity to work and get paid during their stay.

## Program Schedule

The Hannover Summer semester encompasses the UGA Spring-Summer semesters, so you will be taking classes from March to July.
